

Are you living with diabetes?

Not enough hours in the day to
fit everything in?

We know your life is hectic but we don't want
your sight to be at risk

Don't worry we have you covered, we are now
offering some evening and weekend
appointments so you can fit your eye screening in
around your working day

Normal appointments can also be made at any of
our venues, not just your local venue. Just ask!

Call us today on 01305 898600
